

West Yorkshire Combined Authority

Record of Decision made in respect of the Mayor's Police and Crime Commissioner functions

Title/Subject: Tetra Device & Ancillaries Call off Contract - Motorola
Serial No: MPCC353
Summary: As unexpected prolonged delays have occurred with the Home Office Emergency Services Network Programme, Police Digital Services (PDS) have established a national framework to enable Emergency Services to continue to purchase Tetra Devices and Ancillaries via a catalogue. The framework was required as existing radios had been utilised beyond their estimated life and were starting to fail. The delays for the overall Emergency Services Mobile Communications Programme (ESMCP), led by the Home Office, necessitated additional investment in radios to enable Policing to continue unimpeded. The attached call off contract is therefore submitted for signature in line with the Contract Standing Orders for West Yorkshire Police.
Requested Decision: Signature of the Call Off Contract.
