Record of Decision made in respect of the Mayor's Police and Crime Commissioner functions

Title/Subject: Coproduction Kirklees Project
Serial No: MPCC055
Summary: Following a successful learning event to identify best practice from a co-production pilot in Leeds that enabled community members and organisations to directly inform a number of newly commissioned activities designed to engage young people and reduce their likelihood of becoming involved in crime, the Violence Reduction Unit (VRU) would like to facilitate a similar project in Kirklees District. Taking into account the Community Safety Partnership (CSP) localities funding formula (as per the Home Office VRU formula), Kirklees was second after Leeds in relation to the amount of hospital admissions as a result of violence over the last 3 years. After internal discussions with the VRU Delivery Team, Kirklees was assessed as an area that would benefit from this type of approach. However, the intention is that this co-production work will eventually reach each of the 5 districts (future VRU funding dependent).
Requested Decision: That the Mayor approves the cost of £25,200 from the Violence Reduction Unit's Home Office funding for 2021/22.
