

National crime and policing outcomes and measures

The Home Office has developed six National Crime and Policing Outcomes and accompanying measures to help focus effort on key national priorities and measure performance.

The Home Office has also introduced further measures as part of the national Beating Crime Plan including improvements in 999 and 101 answering times and service.

How our local priorities will contribute towards the national priorities

The new Police and Crime Plan has been informed by extensive consultation with the public and partner organisations and analysis of risk and community safety need across West Yorkshire.

The Performance Measures in the plan (page 21 and 22) clearly details where the national outcomes feature as follows: -

National measures and where they feature in our Police and Crime Plan

Reduce neighbourhood crime	Safer Places and Thriving Communities
Reduce serious violence	Safer Places and Thriving Communities
Reduce murder and other homicides	Safer Places and Thriving Communities
Disrupt drugs supply and county lines	Responding to Multiple and Complex Needs
Tackle cyber-crime and fraud	Keeping People Safe and Building Resilience
Improve satisfaction among victims	Supporting Victims and Witnesses and Improving Criminal Justice Outcomes

Beating Crime Plan additional outcome

Improve 999 and 101 answering times and service	Supporting Victims and Witnesses and Improving Criminal Justice Outcomes
---	--

The Police and Crime Plan sets out the ambition for these measures and the performance measures quarterly reports will identify the steps taken to suppress crime and improve outcomes for all in West Yorkshire.
