Vision

Ultimate end goal of what we want to achieve

West Yorkshire: **Safe. Just. Inclusive.**

A clear vision for policing and community safety is an important statement in capturing what we are striving towards in West Yorkshire. It is there to bring a focus to our work, and clearly set out our ambitions to communities.

We are working with our partners and stakeholders to shape this vision to ensure it reflects the engagement, knowledge, and expertise of all organisations who work in the community safety field. We will continue to work alongside those with lived experience, and who have been harmed by crime, to inform and develop services for West Yorkshire.

The three words of our vision **safe, just, inclusive** exemplify our clear long-term ambition for West Yorkshire.
