Record of Decision made in respect of the Mayor's Police and Crime Commissioner functions

Title/Subject: Commission of Sports and Creative Arts Provision over the Summer and Subsequent School Holiday periods
Serial No: MPCC127
Summary: Education Inclusion was included as a key thematic work stream similarly to 21/22, based on the Needs Assessment and Response Strategy developed with partners and the Knowledge Hub. This recognises the impacts that violence, fixed term and permanent exclusions have on young people's ability to thrive and succeed. We have worked with Directors of Children's Services and nominated representatives to identify a secondary school most in need within all districts. Within Wakefield direction has been received to continue the existing Education Inclusion Pilot to build on progress and learning. We will be working with each identified school across the remaining four districts to commission targeted sports and creative arts provision to offer opportunities over the summer break.
Requested Decision: The Deputy Mayor agrees to utilise £120,000 of the allocated 22/23 VRU Intervention Budget to complete an Expression of Interest process to commission sports and creative provision over the summer and other key school breaks up to end of March 2023 in 4 districts. The Deputy Mayor agrees to utilise £30,000 of the allocated 22/23 VRU Intervention budget to continue the Education Inclusion Pilot within Wakefield.
